SANCTI PETRI HILLS

Chiclana de la Frontera (Cádiz, Spain)

Set in the popular touristic area of Novo Sancti Petri, Sancti Petri Hills Golf Course is located at Chiclana de la Frontera Cádiz, 55 Km from Jerez de la Frontera airport. The area is renowned for its beaches and there are several golf courses.

Sancti Petri Hills was designed by Spanish Ryder Cup star Manuel Piñero. The course, which was opened in 2006, covers an area of 39.8 hectares and the holes, measuring a total of 4,767 metres (par 68), are routed around eight lakes and three long estuaries that provide an ideal playing environment for both experienced players and beginners. The clubhouse includes a café and restaurant.

Sancti Petri Hills offers a great opportunity for an investor looking to expand their business presence in Spain. The Club, which re-opened last July, is presently operated as a pay & play facility and is owned by Banca March, a Spanish bank based in Mallorca.

The property is offered for sale on behalf of the owner Banca March for:
